

Grade 7 exhibition trip to:

MUCHA MANGA MYSTERY

Alphonse Muchas wegweisende Grafik, Bröhan Museum

For a cross-curricular project between the German and Art departments on design and advertising, Grade 7 visited and reviewed the 'Mucha, Manga, Mystery' exhibition at the Bröhan Museum.

The class enjoyed the interactive elements of the exhibition that spanned across touch-screens, books, film, prints, album covers and audio that connected Art Nouveau with Manga...

...and Psychedelic Art of the '60s. In response, the group produced excellent exhibition reviews, Art Nouveau designs and contemporary adverts. Here are just a few examples:
