## Grade 8 gallery trip to Martin Gropius Bau

# DAVID BOWIE

This term, the class have looked at urban and contemporary art that steps out of the traditional gallery environment. To complement their work and highlight the power of cross-disciplinary arts, the class visited this stunning, multi-media exhibition. They experienced sound and vision in the form of GPS audio-guides providing sound-bites of interviews and music that synchronised to their personal navigation of the array of letters, videos, costumes, photography, record designs and more...
