

The Berlin Cosmopolitan School (BCS) is an international school with a focus on science, music and dance. Founded in 2004, it includes Kindergarten, Preschool as well as Primary and Secondary school. BCS is a special school under free sponsorship that places lifelong learning in close relation to nature, society and living environments. It is the school home for currently 500 students from 44 nations. It is time for a new start into a future-oriented and sustainable future for our school. For this purpose we are looking for:

Mathematics Teacher (m/f/d), Berlin, Germany

Overall Responsibilities:

- Encourage high standards in all aspects of school life, particularly in student progress
- Contribute to the effective and efficient running of the school
- Promote a school culture which is positive, purposeful and professional
- Support and motivate students, teachers and other school employees
- Encourage consultation, review and improvement

Job Responsibilities:

- Ensure the students achieve learning outcomes in the subject of mathematics by instructing students in a clear, concise and fun way, and regularly preparing lesson plans that are engaging and incorporate the curriculum
- Incorporate the school's objectives into your curriculum by remaining up to date with mission and initiatives
- Attend staff development days to improve your skills and receive help and feedback from colleagues
- Regularly communicate with parents and legal guardians regarding child's performance, track and record student progress and keep records up to date for progress reports and report card conferences
- Review curriculum needs and execute plans for improvement, and provide tutoring and additional support
- Act as a role model by making your students feel motivated while maintaining an approachable personality
- Perform other duties and tasks as assigned

Job Skills and Qualifications:

- Bachelor's degree from an accredited college or university in education or related field
- Qualified to teach
- Expertise in the field of mathematics
- Experience teaching in a classroom environment
- Ability to communicate effectively with all staff and colleagues
- Flexibility and high adaptation skills to work successfully in an unpredictable school setting
- Organization and communication skills

We offer:

- A special school with visions!
- A wide range of creative freedom and great openness to innovative ideas
- Cooperation with a dynamic international high-performance team
- A committed community of parents and students
- Enthusiasm for education
- The pioneering facilities of our school and the opportunities to develop them further in a goal-oriented manner
- Continuing education opportunities
- International events for our colleagues
- Company pension plan
- Subsidy for the BVG ticket and voucher card after the probationary period
- Daily freshly cooked lunch at very reasonable price

We look forward to receiving your meaningful application to hr@cosmopolitanschool.de
Please enclose the following with your application: a current CV, a meaningful letter of motivation, proof of qualifications and references.
